You are cordially invited to tour the newly renovated Jefferson County Historical Society that is celebrating its Centennial year. We are very lucky to have the Current President and Secretary of the Society will be giving tours of the museum featuring all sorts of artifacts from Jefferson County and a special centennial display as well. Also you will be able to walk through and enjoy the beautiful Victorian gardens and well as other buildings on the grounds including the Little Pink Schoolhouse and barns. The newly renovated museum is handicap accessible from the back of the building and there is now an elevator inside to make your visit even more enjoyable. We will be ordering lunch from Vitos, touring, and then enjoying lunch with friends.
